

# ***FAITH'S DISCIPLESHIP PLAN***

## **SERVICE COMMITMENT**

The following spiritual growth inventory will help to assess your spiritual health areas in the life of a believer. You will discover areas where your faith life has blossomed and other areas that call for additional attention and growth. Answer the following questions as honestly and objectively as you can, and you will find this tool to be very helpful in your process of spiritual growth.

X = your current commitment (mark with an "x")

○ = your desired level to achieve in the next 6 months (mark with a "o")

The following statement is true in my life:

**1      2      3      4      5**

*never      rarely      occasionally      often      always*
