AN END OF LIFE SEMINAR

Saturday, May 4, 10 to 11:30 am.

The Seminar will highlight current ministries of Faith that can help with the complications of aging and with planning for the end of life. The panel presentation will include representatives from Spiritual Life, Stephen Ministries, Parish Nurse Ministry, MOST, and called staff. They will explain their ministries along with discussions on advance medical directives and funeral planning at Faith. You will also have the opportunity to inform us of what topics you would find helpful for future seminars. It is never too soon to think about many aspects of things we can do NOW to help our family members faced with making difficult decisions for their loved one.
